Website

Bull artistry and working planet submitted applications, however only working planet were able to provide a dummy website for evaluation. Both quotes were similar cost, and within allocated budget.

General appreciation for the look and feel of the site, however content will take a fair bit of effort to upload.

Must ensure it's value for money. David Morrison to evaluate proposal - will follow up with Gail.

Motion that the contract be awarded to Working Planet *subject to* David Morrison's appraisal and report to management committee.
Moved Robert Gascoigne, seconded Jim Callaway. Carried.

Audit of financial statement

Don Mulligan raised concern about lack of audit. Suggested a potential auditor he knows within WEA Ramblers.

Don to discuss with her and provide feedback to Ed Youds.

Role of admin officer

Don Mulligan suggested that we should be providing more support for Gail rather than simply deferring as much to her as we do.

Privatising national parks

Don Mulligan raised concerns - some discussion in Victoria. BNSW to keep a watching brief on this issue.

Role of NPA vs BNSW

Don Mulligan queried the role of NPA in relation to promotion of Bushwalking, and BNSW in conservation lobbying. (NPA is a member of BNSW)

Leftover maps from navshield

Keith has lots of leftover maps from the 2013 Dunns Swamp Navshield. Very good country for Bushwalking.
