

File ref: 19/08762, Cluster: 612819 - Crown roads at Warrimoo, within 32 Green Road

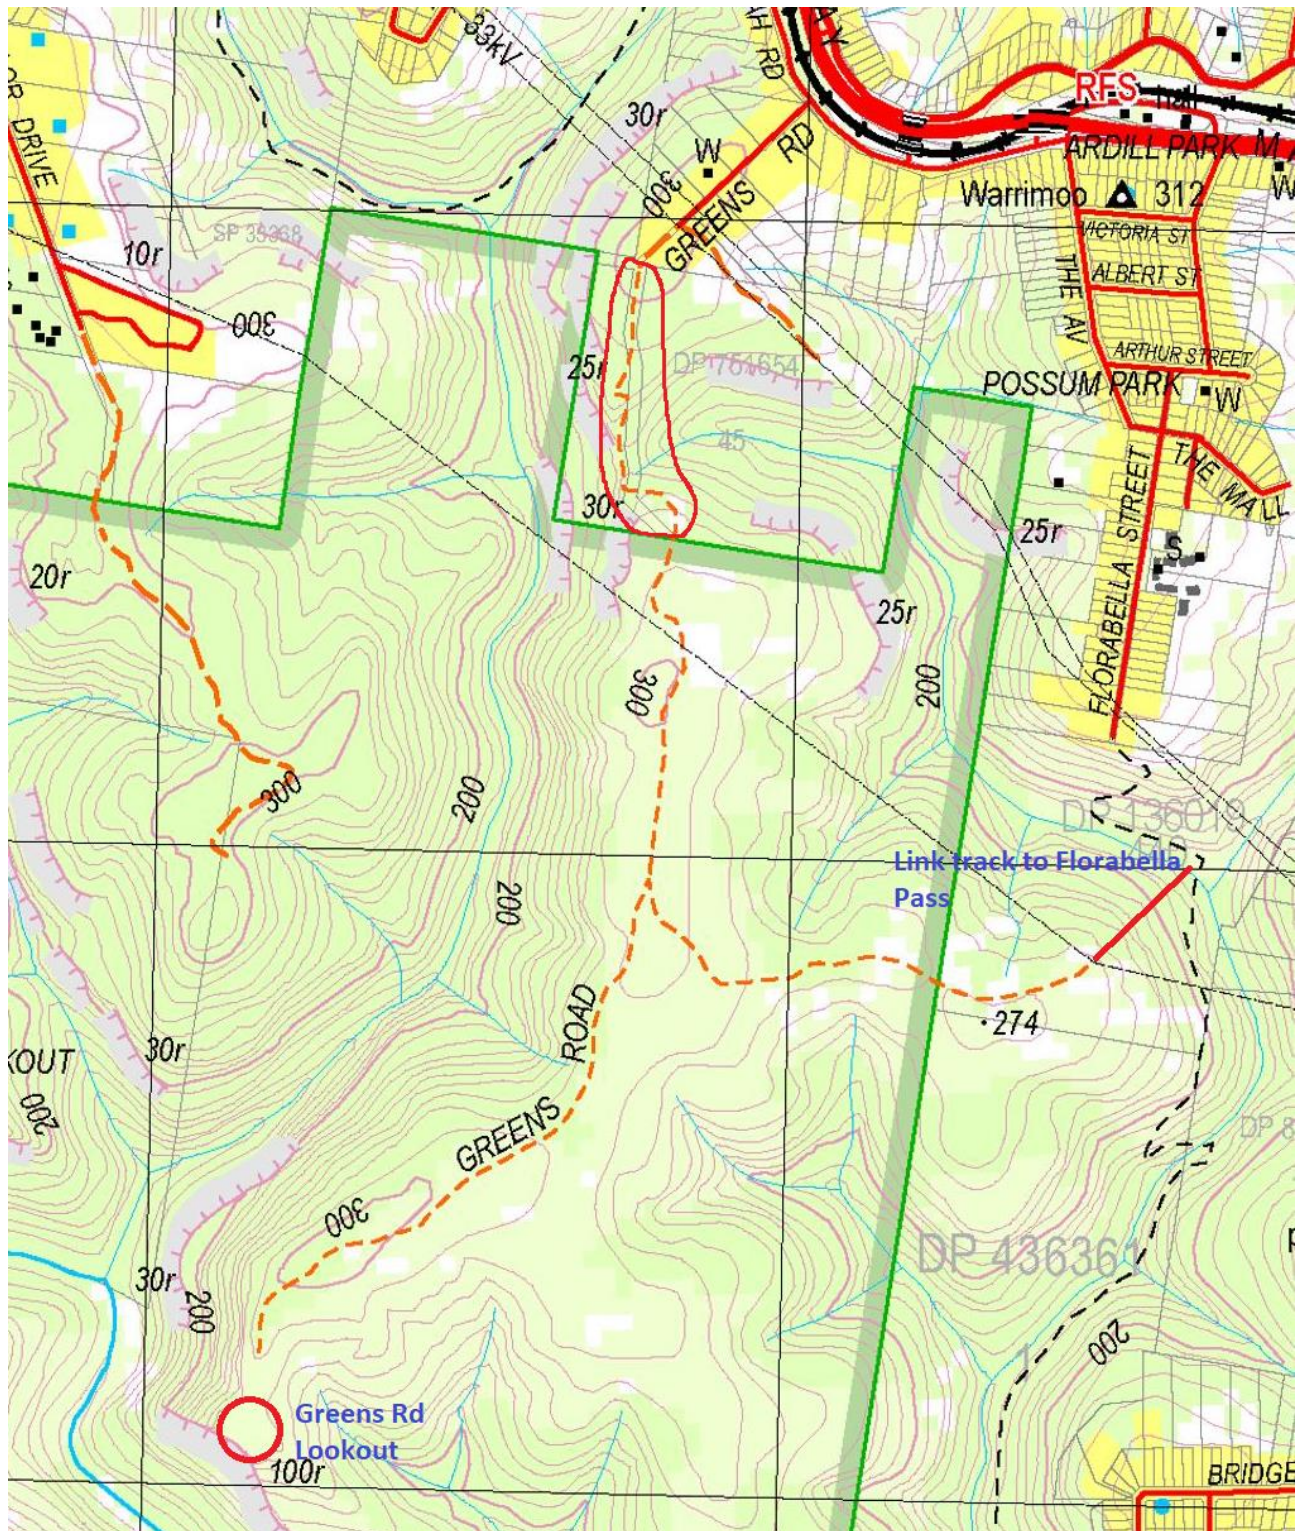

I refer to the below diagram, which outlines the proposed sale of Crown roads for the reference listed above.

The section of road circled in red should be excluded from the proposed sale, as it provides recreational access to the Crown reserves of Blue Mountains NP.

As can be seen from the below extract from the topographic map of the area (road outlined in red), that particular road provides convenient access to the spectacular Greens Rd Lookout.

It also provides access to an unmarked section of track that links with the Florabella Pass Track, forming an excellent short walking loop in the Warrimoo area of the Blue Mountains NP.
